

Setting up Application Environment

Create IBM Cloud Account

Step 1. Navigate to ibm.com/academic and register with your smartinternz mail

The image displays two screenshots of the IBM Cloud interface. The top screenshot shows the IBM Cloud dashboard for a user named RISHIKUMAR K. The dashboard includes a 'For you' section with various quick-start guides, a 'News' section with recent updates, and a 'Recent support cases' section. The bottom screenshot shows the IBM Cloud login page, where a user can sign in with their IBMid or email address. The login page includes a 'Continue' button and a 'Forgot ID?' link.

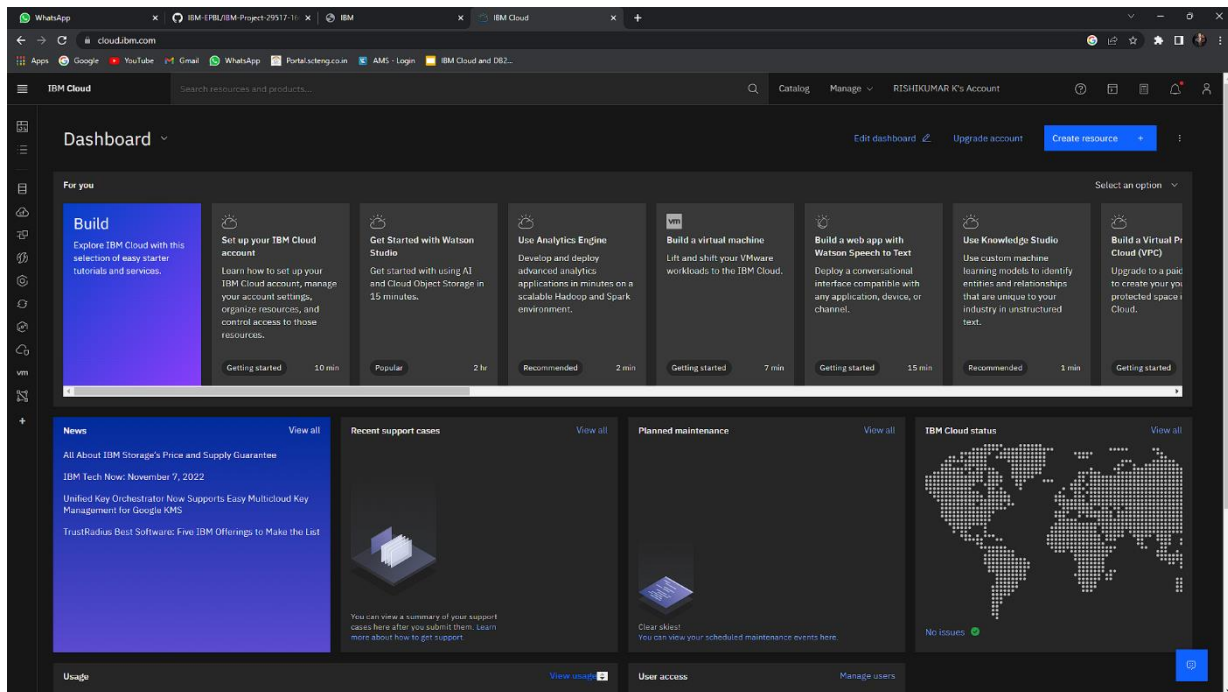

IBM Cloud Dashboard (Top Screenshot):

- For you:** A row of quick-start guides for various services, including Build, Set up your IBM Cloud account, Get Started with Watson Studio, Use Analytics Engine, Build a virtual machine, Build a web app with Watson Speech to Text, Use Knowledge Studio, and Build a Virtual Private Cloud (VPC).
- News:** A section titled 'All About IBM Storage's Price and Supply Guarantee' with a 'View all' link.
- Recent support cases:** A section titled 'You can view a summary of your support cases here after you submit them. Learn more about how to get support.' with a 'View all' link.
- Planned maintenance:** A section titled 'Clear skies! You can view your scheduled maintenance events here.' with a 'View all' link.
- IBM Cloud status:** A section titled 'No issues' with a 'View all' link.
- Usage:** A section titled 'View usage' with a 'View usage' link.
- User access:** A section titled 'Manage users' with a 'Manage users' link.

IBM Cloud Login Page (Bottom Screenshot):

- Log in to IBM Cloud:** The main heading for the login page.
- Sign in with:** A dropdown menu showing 'IBMId' and a text input field containing 'rishikumar.ppm1515@gmail.com'.
- Continue:** A blue button to proceed with the login.
- Forgot ID?:** A link to recover a forgotten ID.
- Remember ID:** A checkbox to remember the user's ID.
- Copyright IBM Corp. 2014, 2022. All rights reserved.** The footer text.
- Cookie Preferences:** A link to manage cookie settings.

Step 2: Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

Output :

Cloud account created successfully.
